me: so
me: would you be interested in running, no charge, some Project PM propaganda that I've written for True/Slant?
me: I was also going to dedicate an upcoming column to asking again for recruits now that I've got something to point to in terms of our viability
BushwickBK.com: yeah of course, we talked about this
BushwickBK.com: just add some local bits
me: additional paragraph directed towards locals, will that do?
BushwickBK.com: yeah
me: I could about how Bushwick would serve as a good experimental environment for these sorts of networks
me: also, cowherd joined up
me: can mention that
me: will get a localized version to you later today, then
